National Youth Leadership Training - Traditional Course

National Youth Leadership Training (NYLT) is an exciting, action-packed program designed to help youth develop the leadership skills, knowledge, and experience they need to lead effectively. Participants learn skills they can apply in their home troops and crews, as well as in other situations that call for leadership of themselves and others.

Participants must be members of Scouting America or Venturers who are 14 years old, or 13 years old and have completed the 8th grade.

National Youth Leadership Training - Pack and Paddle

Leadership comes to life in the wilderness. NYLT Pack and Paddle brings the National Youth Leadership Training to life through an immersive backpacking and canoeing adventure. Participants put leadership principles into immediate, real-world practice while developing

wilderness skills along the way. Participants will learn to set a personal vision and goals, lead themselves and others, work effectively as a team, and apply the Patrol Method. Along the way, they will build confidence, resilience, and valuable outdoor skills.

Participants return to their Troops, Ships, and Crews with practical leadership tools, renewed confidence, and the enthusiasm to make a difference. NYLT Pack and Paddle is more than a training course - it's an experience that can shape how young people lead for years to come.

Requirements for participation By July 31, 2027 (first day of course):

Be a Venturer, Sea Scout, or Scouts BSA scout 13 or over that has achieved First Class rank, have the recommendation of their unit leader, have successfully completed the Introduction to Leadership Skills, hold a current Swimmer classification, and be able to live and work in a rugged environment for 9 days.
